ABOUT ME

Graduate in Computer Engineering, specializing in full-stack development, with experience in systems and network administration. Passionate about learning and collaborating as part of a team, I want to continue growing as a professional while adding value to innovative projects.

EXPERIENCE

IT CONSULTANT – SAYMAR S.L.
April 2023 - March 2025 | Valencia, Spain

- I managed Mobile Device Management (MDM) tools, as well as systems, servers, and networks.
- I coordinated new technology projects, leading most of their implementation in collaboration with the team.
- I analyzed and evaluated new tools to optimize device management and the services offered.
- I provided technical support to clients in the education and business sectors.

SAP BASIS CONSULTANT (INTERNSHIP) – CAPGEMINI
March 2019 - June 2019 | Valencia, Spain

- I administered SAP servers and systems at a basic level, ensuring their availability and proper functionality.
- I managed and maintained SAP HANA databases.
- I implemented basic security measures in SAP environments.
- I collaborated with technical teams to ensure system stability and availability.

CERTIFICATIONS

- IBM Full-Stack JavaScript Developer (2025)
- Microsoft 365 Certified: Endpoint Administrator Associate (2024)
- Jamf Certified Admin - Jamf Pro (2024)
- CCNA Routing & Switching: Scaling Networks (2018)
